### Other

Git Version Control, NPM, SQL, GatsbyJS, Adobe Creative Cloud

## EXPERIENCE

### Web Developer

OCTOBER 2019 - PRESENT

California State University, Monterey Bay

Seaside, CA

- Partners with User Experience designers to transform their designs into responsive React components and pages
- Developed a page which retrieves and displays resolved IT issues
- Selected to be the technical expert on a four person committee to decide the next campus content management system
- Increased sitewide accessibility score from 65% to 78% by rewriting components to serve a broader audience and meet WCAG standards
- Boosted SEO by crafting SQL queries to find broken links and obsolete content blocks
- Publishes documentation for the campus website and other applications to shorten the onboarding process for new developers

### Student Assistant

JUNE 2019 - OCTOBER 2019

California State University, Monterey Bay

Seaside, CA

- Designed templates for departments to model their homepages after
- Created redirects and managed user roles and content as an administrator for the campus CMS
- Selected by leadership to assume role of sole frontend Web Developer on campus
